Dear Sir,

As you know a Herbal Medicinal Garden has been set up at Rashtrapati Bhawan campus with full support of Forest Department, Chhattisgarh. On your advice Mr. JACS Rao has been associated with the task right from beginning. Though the Garden has formally been inaugurated on 2nd October, 2003, yet routine monitoring and certain operations have to be carried out. In addition to these, Hon'ble President of India has desired to prepare extension material for the farmers and visually handicapped persons. Mr. Rao has to submit a detailed report on these.

It is requested to kindly depute Mr. Rao to Board Office for a week. He may have to visit Delhi every month for 3-4 days in coming six months. Once the Garden is fully established then all the operations, maintenance etc. would be done by the Rashtrapati Bhawan staff.

with warm regards,

Yours sincerely,
